

RCO-GB + FR-BB or FL-BB

Product Description

Disabled refuge outstation. Type B. Flush mounted green hands free unit. Photo luminescent front panel, Braille identification, Vandal resistant, Induction loop, and Tactile text. Flush unit has a galvanised steel back box. A call is made by pressing the large momentary push button. This will illuminate the panel mounted 'call registered' red led, and initiate a conventional telephone call tone from the panel loudspeaker.

Dimensions

Flush back box 230mm (H) x 155mm (W) x 55mm (D)
Green panel 260mm (H) x 185mm (W) x 1.5mm (D)
